## UNNAT BHARAT ABHIYAN (NERLE HOUSEHOLD SURVEY)

📅 07 Mar 2019

Our team has visited Nerle villages adopted by RCP, Kasegaon under UBA 2.0 of Tehsil Islampur. Total 60 surveyor has been completed the survey of Nerle Village. Household survey of villages held between February 07,2018 to February 12,2018. This report consists of details of village cluster information as well as remark of village. The information in this report is as per data given by village authority and remark is generated as per observation by visited team. The Nerle village has Six different wadis. There is considerable amount of population taking into account the limited area there is scope of implementing various real time projects. This village as well as neighbouring villages have major network connectivity issues due to which the residents are unable to access online services and are inaccessible to various digital
