10 **Student feedback mechanism on Institutional Governance/faculty performance**

Students' feedbacks on institutional governance/ academic work/faculty performance are obtained periodically. Academic performance is evaluated by a committee appointed for this purpose. The faculties are informed orally about their appraisal.

### 11 Grievance redressal mechanism for faculty, staff and students:

All the grievances are put in front of the redressed committee and the discussions are taken on these grievances. The students who are defaulter in the library are informed about their mistakes and discrepancies after which action is taken. After receiving complaints against staff members, discussions are held by the committee in the presence of that staff to solve the dispute. The redressed mechanism for faculty or staff is as follows...

1. Discussion of the matter in redressed committee.
2. Calling the concerned staff or faculty for discussion and explanation.
3. Appointment of committee for decision. 4. Final decision
